

# Ministry Opportunities

COUNTRY

TERM OF SERVICE

A Vision for South America:  
 "Multiplied dynamic churches across South America that transform local communities by embodying Kingdom of God values."

## TRAINING REQUIREMENTS

Full membership with South America Mission requires formal Bible study and experience in ministry. Most missionaries begin service below requirement levels and continue their spiritual and professional development in the context of ministry.

## LANGUAGE REQUIREMENTS

Effective cross-cultural ministry is built on strong communication skills. Because few missionaries begin with fluency, South America Mission assigns language training in accordance with ministry assignment and length of service.

## ARE YOU AVAILABLE

South America Mission is not looking for perfect people. We are looking for those God is calling and equipping. *Together* we can work to build the Kingdom of God.
